

Freedom of Information Request - FOI2024/209

Thank you for your Freedom of Information request.

To support my research, I would like your help to understand headline details regarding the capital works undertaken or in hand by your trust within the past four years (ie. since 2020), specifically for schemes with a budget of £1 million or more. This includes projects that have received outline or full business case approval, are currently in construction, or have been completed.

To facilitate this request, I would appreciate it if, for each scheme, you could please provide the following details:

- Project Title
- New Build or Refurb
- Forecast Completion (Year)
